¹2007 data was not available for this report; 2006 economic impact and expenditure information are reported here.²Due to changes in data collection methods, the Pacific Region's participation (number of anglers), effort (number of trips), and catch (number of fish harvested or released) estimates for 1997-2003 are not comparable to 2004-2006 estimates.³2007 data was not available for this report; NA = data is not available.⁴Out-of-state resident information is collected for individual states but whether an angler is a resident of a region is not specified; NA = data is not available.⁵Species included in this group may not be equivalent to species with similar names listed in the commercial tables.
